6. Ha megengedett a kettős hajtás, akkor mi az elvárt maximális sebesség az egyes hajtásoknál?

Mindkét hajtás esetén legalább 160 km/h

If double drive allowed what is the expected max. speed for diesel and electric drive? 160 km/hour for both traction drive.

7. What is its purpose, at this stage, of your indicative proposal? Is it already a Supplier Qualification or is it a marketing survey in view of the final preparation of the official tender?

The latter. It is a market survey in order to finalize the conditions of the official tender.

8. What is the purpose of your request for the indicative price offer? Is it an information to allocate your budget, or is it a way to select already at this stage the preferred Suppliers?

It is an information to finalize our budget so as not to select preferred suppliers.
